Re: PSC Case No. 2010-00163

Dear Mr. Pierce:

The ordering paragraphs of the final order in Case No. 2010-00163 state the following:

Garrison District shall file a copy of the "as-built" drawings and a certified statement that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of the substantial completion of construction certified herein

You and I spoke on August 25, 2011 and you informed me that the contractors were expected to be finished by September 17. Please update me on the progress of this project. When do you anticipate sending the as-builts and the certified statement? Thank you for your attention to this matter.

Sincerely,

Linda Faulkner
Director of Filings
